### ANNOUNCEMENTS FOR OUR PARISHIONERS

- We ask that all parishioners please respect social distancing practices by remaining two meters apart while using all church facilities and on church property.
- Don't forget to check your temperature before coming to church each week. If you have a temperature of 37.5 degrees or comparable symptoms to COVID 19 please do not come to church. You can see the symptoms on the posters near the entrance.
- Some areas of the church are closed in order to maintain social distancing. There is tape on the floor of high traffic areas to help indicate direction or where to stand.
- Please use the church washrooms only in an emergency. One person at a time. Another person can enter to assist someone if they live at the same address. If the bathroom is in need of attention please tell an usher so that it can be closed and cleaned as soon as possible.
- During this time we will not be singing. All parts Mass that are typically sung will be recited instead.
- The sign of peace will be changed from a hand shake to a simple bow.
- For Communion please follow ushers' directions and move to the indicators in the aisle(s).
- At the front of the aisle, stop at the mark two metres from the minister, you will bow, the minister will say "The body of Christ" and then you reply "Amen," step forward to receive the Host. Place your dominant hand under the hand that will receive the Host hand and step to the side. Remove your mask from one ear, consume the Host, replace your mask and then return to your pew as directed.
- In case a minister inadvertently touches the communicant's hand, he will pause to re-sanitize his hands.
- The collection will be taken at the end of Mass as you exit.
- Please follow the usher's directions. We may ask you to exit in a different order than you were seated to avoid close contact.
