There will be **No display of the Book of Life** as in previous years.

Parish Annual Thanksgiving Appeal With Thanksgiving, we are reminded of our blessings of prosperity & family. Our parish is part of a larger diocesan family and together we carry out the work of the Catholic Church in our area. Together, parishes across the Diocese of London are united in our incredible mission to bring Christ's light to the world. Envelopes for the Parish Thanksgiving Appeal are in your box sets or extras available in the church.

COVID-19 UPDATE FROM BISHOP FABBRO (Update #12)

During the recent Plenary Session of the Assembly of Catholic Bishops of Ontario, Cardinal Collins reported that he had a conversation with Premier Ford about our provincial Worship safe document on which our diocesan Directives are based. The Cardinal asked if churches would be affected by new regulations in light of the second wave, even possibly shut down. Premier Ford reinforced that our churches are safe and that because protocols are being taken seriously, he has no intention of changing things with regard to churches. He encouraged the Cardinal to keep up the good work. The Cardinal warned, however, that we not ease up on things.

I am relating this conversation to encourage us to remain vigilant with respect to protocols, so that our people know they will be safe when they come to our churches.

Christmas and New Year's Day Masses

Questions are coming to the Episcopal Vicars regarding Christmas celebrations, the Council noted that we should expect the same restrictions that we have now (masks, 30% capacity, two-metre distance, cleaning after each service) still being in place. Parish leaders will determine their Mass schedules for Christmas accordingly.

Masses in Nursing or Retirement Homes

These Masses are not allowed, even if invited by the managers of such places. There is too great a risk to spread the virus. This restriction does not preclude the celebration of the sacrament of the Anointing of the Sick for someone who is actively dying. All the protocols of the particular home must be followed with respect to sanitization and the use of personal protective equipment.

Mass for All Souls' Day Remembering Victims of COVID-19

It is requested that, where a parish Mass will be offered on 2 November, an intention be included in the Prayer of the Faithful for the victims of COVID-19. At an appropriate time in the future, the whole diocese will join together in the celebration of a Mass of Thanksgiving and Remembrance for all those who died during the pandemic.

Most Rev. Ronald P. Fabbro, C.S.B.
