## Year of St. Joseph

Year of Saint Joseph was announced by Pope Francis on December 8, 2020, the Solemnity of the Immaculate Conception, to honour the 150<sup>th</sup> Anniversary of the Proclamation of Saint Joseph as Patron of the Universal Church.

The Pope writes in his letter of his desire to reflect on St. Joseph during the current pandemic, *"Each of us can discover in Joseph – the man who goes unnoticed, a daily, discreet and hidden presence – an intercessor, a support and a guide in times of trouble. Saint Joseph reminds us that those who appear hidden or in the shadows can play an incomparable role in the history of salvation. A word of recognition and of gratitude is due to them all."*

### May 1<sup>st</sup>, the Feast of St. Joseph the Worker Pope Francis prayer for the Year of St. Joseph

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary.  
To you God entrusted his only Son; in you Mary placed her trust;  
with you Christ became man.

Blessed Joseph, to us too, show yourself a father  
and guide us in the path of life. Obtain for us grace, mercy and courage,  
and defend us from every evil. Amen.

## CATHOLIC EDUCATION WEEK - MAY 2 - 7, 2021 Theme: "Nurturing Hope"

As we approach Catholic Education Week, we are reminded that publicly-funded Catholic education is a call to service. Regardless of our position or our responsibilities within Catholic education, our role is a calling, a vocation to bring the saving message of Jesus Christ into the lives of those students whom it is our privilege to serve.

This year's Catholic Education Week theme is, *"Nurturing Hope."*

The theme for Catholic Education Week 2021 was inspired by the following considerations:

- Recognition of the special Year of Laudato Si' which will run through May 24, 2021, announced by Pope Francis on May 24, 2020, the fifth anniversary of his papal encyclical, "On Caring for Our Common Home."

- In the face of the ongoing reality of the COVID-19 pandemic, a strong desire by the planning committee, along with those consulted, and supported by feedback from the survey, for continuity with the theme for Catholic Education Week 2020, *Igniting Hope*, which has served so well during the spring recess from in-school instruction.

- The challenges to personal and spiritual well-being posed by the uncertainty and physical isolation of the current global crisis makes the timing and the concerns of Mental Health Week, which takes place during the same week as Catholic Education Week, all the more relevant.

- Ongoing recognition of the Truth & Reconciliation Commission and the relevance of Indigenous culture and spirituality to the spirit of Laudato Si.
