● Pray the Rosary during the Month of May

Pope Francis asked Catholics to make a special effort in May to pray the rosary, knowing that by doing so they will be united with believers around the world asking for Mary's intercession in stopping the coronavirus pandemic.

“Contemplating the face of Christ with the heart of Mary, our mother, will make us even more united as a spiritual family and will help us overcome this time of trial”.

The month of May is traditionally devoted to Mary and many Catholics already are in the habit of praying the rosary at home during the month, he noted. “The restrictions of the pandemic have made us come to appreciate all the more this 'family' aspect, also from a spiritual point of view.”

● This weekend we are celebrating Mother's Day

Merciful God, bless our mothers for their loving and nurturing ways. Grant that we, their children, may honour them always with a spirit of love, respect and thanksgiving. **Happy Mother's Day**

● The Feast of the Ascension of Jesus

Next Sunday we will celebrate the Feast of the Ascension of Jesus Christ, the return of Jesus to heaven in His human but glorified body. It is the sign and seal of the accomplishment of Christ's mission on earth.

Pope Francis - Calls for Prayer Marathon for Covid-19 End

Pope Francis has called for a global prayer marathon for the entire month of May, praying for the end to the pandemic.

“The initiative will involve in a special way all shrines in the world” in promoting the initiative so that individuals, families and communities all take part in reciting the rosary, “**to pray for the end of the pandemic,**” said the Pontifical Council for Promoting New Evangelization in a press release April 21.

“It is the heartfelt desire of the Holy Father that the month of May be dedicated to a prayer marathon dedicated to the theme, ‘from the entire Church an unceasing prayer rises to God’,” it said.

The theme refers to the miraculous event recounted in the Acts of the Apostles (12:1-12) when all the Church prayed for Peter, who was imprisoned until God sent an angel to free him, illustrating how the Christian community comes together to pray in the face of danger and how the Lord listens and performs an unexpected miracle.

A PRAYER FOR PROTECTION IN TIME OF PANDEMIC

O Mary, you always brighten our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who, at the Cross, took part in Jesus' pain while remaining steadfast in faith. O loving Mother, you know what we need, and we are confident you will provide for us as at Cana in Galilee. Intercede for us with your Son Jesus, the Divine Physician, for those who have fallen ill, for those

who are vulnerable, and for those who have died. Intercede also for those charged with protecting the health and safety of others and for those who are tending to the sick and seeking a cure.

Help us, O Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who took upon himself our sufferings and carried our sorrows, so as to lead us, through the Cross, to the glory of the Resurrection. Amen.

Under thy protection we seek refuge, O Holy Mother of God. In our needs, despise not our petitions, but deliver us always from all dangers, O glorious and blessed Virgin. Amen.
